**2022-2025**

**Preparatory Classes** : National school of applied science - Agadir

**2020-2022**

**Baccalaureat science** : Elmansour edahbi High School - Taroudant

**2019-2020**

## Hard Skills

**Frontend** : Reactjs - Nextjs - ReduxToolkit - Tailwind Css - MaterialUI

**Backend**: Nodejs- Expressjs- Nestjs - SpringBoot

**Database** : Mongodb - Mysql - PostgresSql

**Programming languages** : Java - Typescript - JavaScript - Python

**Devops** : Docker - Kubernetes - Git - Github Actions

**Others** : UML - Merise - Socket.io

## Certificates

### FreeCodeCamp

- Data analysis with python
- Scientific computing with python
- Frontend and Backend development

### Huawei

- HCIA-AI

### PMI : Project Management Institus

- Project Management

### Google

- Technical Support Fundamentals

## Parascolaire

### Apps Club

- 4th place let's code 23 - Problem solving competition
- Member of organizing comity - Computer Science day 21

### CRRT Club - Robotique

- *Certificate of Arduino*
- *Member pf organizing comity - South Gathering Robotics 23*

## Soft Skills

- Team work
- Time management
- Autonomy
- Problem solving
- communication

## Languages

- English
- French
- Arabic
- Tamazight
